## Olivet College Band To Have Uniforms

### Close Project Drive With Variety Program, Car Wash; Allyn Featured Friday Night

It is anticipated that by the time of the next "Tip-Off," at the beginning of the 1956 academic year, Olivet's Marching Band will have uniforms of their own. The purchasing of band uniforms was the annual spring project chosen this year by the Student Council.

Several programs have been launched in order to raise sufficient funds for the uniforms. Tonight at 7:30 p.m. in Howe Chapel a Variety Program will take place. Tomorrow morning at 9:00 a.m. a "Car Wash" will be enacted over at the pump house. These two events will end the "project drive week."

HARRIET ALLYN

Featured at the variety program this evening will be guest artist Mrs. Harriet (Crowley) Allyn, impersonator and original character sketcher. Allyn began her career while a student at Northwestern University. She has appeared before several Olivet groups, performing last year before the Orpheus Choir at their annual banquet on April 30, at The Spinning Wheel in Hinsdale, Ill.

#### Plenty of Variety

Olivet talent at the variety program will include a Barber Shop Quartet, composed of Darrell Trotter, Chuck Hasselbring, Bob Crabtree, and Gene Foiles; a girl's trio, including Della Anthony, Freda Hawk, and Nancie Davis; faculty quartet, Brass Choir, Dan Diddell, Roger Deal, trumpettist; Ed Davis and Tom Ramquist, comedy song; Beverly Yonda, marimba; and faculty band. Master of Ceremonies for the evening will be Dale Martin.

Working on the committee for this program are Gene Phillips, Pat McGuire, and Bob Squires.

#### "Car Wash"

This is the second year that the Student Body has launched a "car wash," and approximately 100 cars are expected to go through the "process" tomorrow. Harry Romeril is in charge of this program along with help from Ruth Peters and several volunteers.

Tickets will be one sale today in the foyer of the Ad Building for the variety program tonight. By the way, this is "Dutch," girls! Also, don't forget to "sign up" and pay your \$1.25 to have your car washed tomorrow sometime.

### More and Better Food For All

The average guy or gal needs a well-balanced diet at a reasonable cost. This is what is being planned for 1955-56.

Many health problems will solve themselves with proper food and rest. College days should be happy days and the room and food plan will contribute to such a life.

A recent survey made by a business officer of a college in New York State shows that the offering of a food and room plan as set up by Olivet is well below the average price per student of over 200 privately owned colleges such as Olivet. Mr. Fletcher and Mr. Henderson learned while visiting Drake University and Augustana College that the suggested meal plan for Olivet is the kind in operation at these institutions and they find that it operates at a more reasonable cost.

Measures are being taken to give a faster service in the line and better handling of food as well as better variation of menu. Food services can be operated on a well-planned and organized budget, and purchasing can be planned more accurately, giving the student the benefit of all these advantages.

It is no secret, but a fact not understood by the student body, that the cafeteria has operated at a loss for the college for the last five or more years. Every step in economy is being taken to keep operating costs at the very minimum and it is hoped to break even this year.

Your patronage and cooperation will help to make this possible. Many things enter into such an operation, such as conscientious employees. Avoid requests for special favors, lend a hand occasionally, protect the property, and practice general courtesies.

### A Foot In The Door?

Dr. Harold W. Reed and Dr. W. E. Snowbarger, president and dean of Olivet College, respectively, appeared before the Board of Review of the North Central Association of Colleges and Secondary Schools in the Palmer House in Chicago on the evening of March 19.

North Central Association examiners, Dr. Melvin Hyde and Dr. Ivan M. Stone, had previously examined Olivet College on Dec. 6 and 7, and presented their report on O.N.C. to this Board of Review. This report listed elements of strength and weaknesses concerning the college.

After considering the information from the examiners along with the extensive "self-study" prepared by an Olivet committee during the summer of 1954, the Board of Review decided to defer action on the approval for Olivet's membership in the association until next year's meeting in March of 1956.

Various items were listed by the Board of Review which they felt should be worked out and improved before entrance into the Association. Some of them are listed as follows:

1. Improvement of faculty insurance, retirement plan, and salaries.
2. The accounting and budget system needs revision.
3. Faculty grading should be revised. It was noted that an excessive number of A's and B's were given.
4. More information concerning the actual achievement of students is needed. Achievement tests of sophomores and seniors will be arranged and the results sent to the N.C.A.
5. Admission policy of Olivet hasn't been so selective as might be desirable.

Elements of strength mentioned by the Board of Review are summarized below:

1. The purposes of the institution are clearly stated and are reflected to a high degree in the program.
2. Morale of the campus is good.
3. The faculty is quite well trained as evidenced by advanced degrees held and amount of graduate training.
4. The library operation is good and will be much improved when the planned new building is completed.
5. The student placement program is well-organized and appears to be very effective.
6. The general education program is well organized and sound.

One examiner will recheck Olivet during the next academic year.

The fact that Olivet's application was not rejected was encouraging and appears that with hard work on the part of all concerned that chances for approval next year look bright.

### COFFEE, COFFEE EVERYWHERE—BUT NOT A DROP TO DRINK

Richmond, Va.—(ACP)—Faculty members of Richmond Professional Institute were cautioned last week not to interrupt 1½-hour classes on Tuesdays and Thursdays for coffee breaks, according to the office of the Dean of Instruction.

"Coffee breaks," the memorandum said, "should be given only in classes which are extended for a period in excess of two hours."

"Only Five More Uniforms To Go!"

### Parlor, Lounge Hours Listed

The Parlor in Williams Hall will be opened the following hours:

Upper class couples—7:00 p.m.-10:30 p.m.—Mon.-Thurs.

All couples—9:30 p.m.-10:30 p.m.—Mon.-Thurs.

7:00 p.m.-11:00 p.m.—Friday.

7:00 p.m.-10:30 p.m.—Sat.

The parlor is open for use all day Sunday except for worship and quiet hours (2:30 pm.-4:00 p.m.)

Girls may use the parlor with special guests or relatives at any time.

The Student Union room schedule is as follows:

#### Afternoons

1:00-5:30—Mon.-Sat.

1:00-6:15—Sun.

#### Evenings

9:30-10:30—Mon. Thurs.

7:15-11:00—Fri.

7:15-10:30—Sat.

After Church—10:30—Sun.

#### M.D.A. Lounge Hours

The men's dormitory lounge is closed at 11:00 p.m. every night.

### LAST SUNDAY OF CONTEST

The last Sunday of the Sunday School contest against Nampa is April 3rd. Let's mark this down in our memory for important things to do, and COME OUT TO BEAT NAMPALA!

### Northwest Indiana Motorcade On Campus

Arriving on campus this morning is the northwest Indiana Motorcade, led by Rev. Dwight Millikan, District Young People's president.

These 300 young people have with them a check for three fourths of their district budget and a case of peaches from each church. The latter will be presented to the dining hall as gratitude for the hospitality received.

Oscar Sheets, the student leader, will guide the group of high school juniors and seniors through the activities of the day. Their schedule is as follows:

8:15—Arrival.

9:00—Snack time at Miller Dining Hall.

9:30—Chapel, a Lyceum feature.

10:20—"Meet the administration."

10:55—Round table discussion groups with student leaders, Dean Snowbarger standing by.

11:30—Registration.

12:40—Lunch.

2:00—Talent show with motorcade contestants.

3:00-5:00—Recreation at the gym or a tour of the campus.

5:15—Dinner in Miller Hall.

6:15—Student Prayer Band.

7:30—College variety show.

### PERFECT SOLUTION

(ACP)—From the Colorado School of Mines comes this thought: to a woman the perfect husband is one who thinks he has the perfect wife.

## Let's Continue The Good Work!

In recent years, Olivet students have supported such funds as the Community Chest Drive, Bloodmobiles, erection of new churches, missionary projects, and annual all-school projects.

Excellency in giving is usually the role of Olivetians. Students of Olivet Nazarene College are often considered "generous individuals," both in time and money.

This theory has certainly proven to be a fact this past week as the Student Council launched its annual spring project, which this year is raising \$1,100 for uniforms for Olivet's Marching Band. It's been a busy and enjoyable week as both students and faculty members have lent a helping hand and showed their faith that this project could be a success.

The project this year is considered a "big thing" by Olivet's constituency—probably the greatest project ever launched by the student body. This is considered a real example of student government in action; for the committees have worked hard and the students and faculty have responded in a wondrous way.

A word of thanks should be given to the following for donating \$65 each to purchase one band uniform: the English Guild, the freshman, sophomore, junior, and senior classes, and, of course, Olivet's Band. The Faculty Club has promised to purchase band uniform No. 40, the last one.

Already enough money has been raised to purchase 35 band uniforms. This has been due to the various donations, the "character sketches," the coffee and donut sessions, and the auction. However, \$325 is still needed to obtain the last five uniforms. Let's continue the good work **everyone** and support the variety program tonight in Howe Chapel and the "car wash" tomorrow. Buy your tickets today in the foyer for the program tonight and sign up for the "car wash."

Appreciation is certainly extended to the following committee chairmen and workers: Working on the auction were Don Carpenter, Prentiss Tomlinson, and Harvey Galloway, chairman. Prof. Harvey Collins was in charge of the "character drawings." Gene Phillips, Pat McGuire, and Bob Squires handled the affairs of the variety program. The "shoe shine" was conducted by Marvin Hoffert and Harold Berkey. Harry Romeril was chairman for the "car wash" and was aided by Ruth Peters. The Home Economics Dept. served the coffee-donut sessions long with the help of several volunteers. Serving on the executive committee for the "week's drive" were Mildard Reed, Bob Squires, Harvey Galloway, Ruth Peters, and Cal Mathews.

Once again may we express our sincere thanks to every student, faculty member, friend, and proprietor of a Kankakee, Bradley, and Bourbonnais firm or store for your donations of time, money and material goods which have all been a part of making this project a success.

## For Your Information

From day to day, all of us hear complaints about the phone system. It is difficult to get campus calls through, especially during some hours of the day. The *Glimmerglass*, observing this situation, has sought information about the phone system to present to our readers.

### Religion In The Spotlight

One of the penetrating thoughts which our past evangelist emphasized was the necessity of spiritual progress. To be sure, there is a need for an initial religious or conversion experience, but following that experience there needs to be growth and development in the spiritual life. It is in this area that we so often fail. Many operate under the assumption that a deep religious experience is all that is necessary in the kingdom of God.

The final results of this lack of growth in our spiritual life is that God becomes ordinary, church services become common place, and prayer becomes lifeless. Then we have second-hand religion!

**Spiritual progress** is necessary first of all because it pleases God. We must never allow ourselves to become contented with our spiritual life. The key to successful Christian living is discontentment with the status quo and a consequent determination to gain new ground. The paradox of the spiritual life is "Contentment comes only through discontentment." This spiritual life then leads to a peace of mind. Jesus said, "I am come that ye may have life, and have it more abundantly."

Consider further that progress is necessary because it renders a person's life more useful. The gospel call is one of service. If we are to be influential towards others we must be developing. It is this factor that is dynamic and contagious.

First we would like to mention our present facilities. The system has one circuit running to each dormitory for the students and a circuit to the boiler room and Mr. Jeter's apartment.

There are four pay phones on campus—one in Burke Administration Building, Chapman Hall, Williams Hall and the wash house of Traylorville. The college has four outside lines. At night trunks from the two main dorms and the boiler room are connected to the outside lines for emergency calls. The pay phones may be used for this purpose also.

The College Business Office employs twelve switchboard operators and a number of trainees. These girls work a total of 107 hours a week. The college maintains student help for this job, rather than hire full-time workers, to provide jobs for students.

The telephone system operated in 1954 at a cost of \$8,800. With these facilities, the phone system is able to handle the ordinary volume of business. It is only at times such as just before a social function that the lines are tied up.

As we survey the situation we realize that the biggest problem is the inadequate amount of circuits running to the two main dorms. Another problem will be created when the new library is finished. Poles and lines will have to be rigged. The college isn't sure as yet what kind of facilities the new structure will have.

Possible changes that could be made in the installations of the two main dorms are: a circuit to each floor, one for each two floors, or a small switchboard for each dorm office. The best suggestion seems to us to be one circuit for each two floors of the two dormitories. It is apparent that any of these changes would cost a great deal of money.

At present we must use, with cooperation and courtesy, the assets we have. A better phone system would be a good suggestion for an all-school project of the future.

## Book Review

By Paul Bassett

Perhaps the recent revival, with its very practical Wesleyan emphasis, whetted your appetite so that you want to learn more about the man who was behind the re-emphasis of the Doctrine of Holiness in the 18th century.

The *Journal of John Wesley* can fill to a great degree this appetite, and at the same time it will inspire you.

Written in diary form, the *Journal* contains not only a running account of Wesley's life, but also includes some of his correspondence and a good general view of his ideas, convictions and interests.

It is not difficult reading, but it will take some time—well spent.

The *Journal* sheds light on some unusual facts of Wesley's personality and his conception of holiness—a conception which has been much misinterpreted in our day. Wesley was a man of varied interests, of unbounded energy, of restlessness, and of deep sincerity. And he was a man fully sold on his mission for Christ.

Every Nazarene who is able, should read at least parts of this autobiography of our pioneer father, both for information and inspiration.

### TWO CENTS WORTH OF NEWS

State College, Miss.—(ACP)—Some students receiving fourth class mail addressed to "Patron, Box Holder" at Mississippi State College, disposed of the mail as usual—either on the floor or in a trash box.

Inside each envelope, however, was a two-cent stamp for re-mailing a reply for a subscription.

A group of enterprising students, realizing the potentialities of the event, picked up the discarded mail and collected the stamps.

According to The Reflector, at last report this group had accumulated four or five dollars worth of two-cent stamps. For free.

## Let's Really Beat Nampa!

The end of the Sunday School contest against Nampa is rapidly approaching. We have only a few hours remaining to make the personal contacts which are necessary to achieving the victory Olivet deserves to experience. Conscientious Christians realize that any progress in the Sunday School cannot be taken for granted, but requires the ceaseless devotion and labor of everyone. We may feel assured that we can win the Olivet-Nampa contest if we will really pull together for a huge attendance on April 3rd.

Following are some suggestions for promoting a large Sunday School attendance:

1. Each of us should undertake the responsibility of urging or reminding our friends to attend their respective S. S. classes (with particular priority) April 3rd.
2. Each of us should put forth an effort to convince "irregular" attenders to make it a point to attend Sunday School April 3rd. Visitation groups might be helpful.
3. Each of us should do our very best to extend an invitation to those with whom we have made acquaintance who are not attending church or S. S. anywhere. Bring them April 3rd.
4. Each of us should "dump the sack" early Sunday morning and knock on some friend's door in service as a kind of human alarm clock to insure against over-sleeping and to convey a good-morning greeting. In doing this we show that we really care.

If we will direct our efforts to the foregoing measures we might be overwhelmingly surprised at the outcome when the final S. S. count is taken.

Let us get ambitious for the Sunday School for Palm Sunday 1955, and endeavor to fulfill our individual responsibilities to the Church in promoting "top attendance" in all classes. This challenge is left to you.

## Inquiring Reporter

By Evelyn Holland

In response to the question, "How can school spirit be improved?", the following students have offered suggestions:

**James Wright:** I think an inter-collegiate athletic program would raise school spirit. Many Christian athletes are choosing other colleges where they can enjoy playing their favorite sports.

**Mary Bobb:** More chapel programs with testimonies and songs of praise would increase the student's appreciation for Olivet.

**Pat Burgess:** We need increased recreational facilities. The student lounge and Wagon Wheel are inadequate. I think an intramural sports program is fine for a Christian college.

**George Hemmingsen:** The students should show a greater interest in the facilities they have. Continual griping about inter-collegiate sports and the present intramural program without participating is foolish. No one change will bring school spirit. It will come by growth of the spirit we now possess.

**Bettie Stouffer:** By having big rallies; advertising and talking up the athletic games.

**Beverly Beard:** By having the BAND with their new uniforms to play at all the athletic events.

**Dean Cowan:** By having the junior and senior classes sponsoring class plays.

## Man Of The Month

By Herb Samra

Selected as the Glimmerglass Man-of-the Month for March is Mr. Ora C. Barrick, night watchman for Olivet. Mr. Barrick is now residing at 211 Main St., Bourbonnais.

ORA C. BARRICK

Barrick has a wife, Edith, and five children. By name, those who make up the family circle are Mr. and Mrs. Barrick; Harold, who is farming in Smithfield, Ill.; John, who is a pastor at Marshall, Ill.; Mary, who is residing with her husband in Cuba, Ill.; May, who is living with her husband, a student of Olivet, in G.I. Ville; and Helen, who is still living with Mom and Dad, teaching at Burcham School, and attending night classes at Olivet.

Mr. Barrick was born on June 2, 1891, in the village of Blyton, Illinois. He attended the Wiley Grade School, graduating from the eighth grade. "In those days," says Barrick, "we had no high school anywhere near where we lived. You had to go a long way from home to go to high school."

Having been raised on a farm, Mr. Barrick worked at farming until his

By Joyce Mandly

arrival to Olivet; with the exception of six years (1920-26) when he held the position of Commissioner of Highways in Dierfield Township, Illinois.

The job of night watchman at Olivet requires Barrick to carry on a number of duties, some of which are (1) making rounds of the entire campus area every two hours of the night with a punch-clock, (2) Checking doors and windows for security while on rounds, (3) Checking the boiler every hour for four hours consecutive each night, (4) Checking to insure proper traffic functions on campus (in accordance with parking and speed regulations of Olivet), and (5) Unlocking one of the doors at Williams Hall for girls who must enter after midnight. (In this sense, Mr. Barrick is quite popular with the girls.)

Prior to becoming members of the Church of the Nazarene, Mr. and Mrs. Barrick were affiliated with the Lutheran Church. They joined with our church in 1938 in Ellisville, Illinois. Incidentally, it was in Ellisville that Mr. and Mrs. Barrick became man and wife (Feb. 18, 1914.)

When asked for information regarding his favorite means of relaxation, Barrick expressed himself as very much enjoying the reading of Christian literature. Going further in the discussion of hobbies, etc., he stated that his wife is his most outstanding hobby. (This makes *hubby* and *hobby*. Got it?)

Because of Mr. Barrick's life as a hard worker, the writer became interested in the type of food a man such as he considers most outstanding. In reply to a question along this line, Barrick said, "I like a lot of fruit, pie, and cake, but don't eat so much of it any more. My main eatin' is meat and potatoes!" From the way he made that statement it seems that his wife is a pretty fine cook.

There are primarily four types of scholarships and grants-in-aid received by the students of Olivet College. The type of scholarship involving the largest number of students is the "Special Nazarene Scholarship." This is available to any freshman who ranked in the upper 10% of his High School class and maintains a "B" average in college.

Those students in this group for 1954-1955 are as follows: Agnes Arthurs, Darlene Barker, Jack Barnell, Jean Barnell, Juanita Beanblossom, Doris Beck, Eleanor Bolender, Frank Bowers, Marilyn Bryant, Marcella Clark, Elnora Cook, Dortha Davis, Ruth Deming, Jane Dike, Mildred Downs, Rosalie Downs, Jerry Durrige, Dorothy Estelle, Margaret Evans, Louise Fallis, Loretta Fraley, Constance Handschy, Marilyn Handschy, Jeanette Hanson, John Hanson, Ruth Headlee, Tom Hill, Carolyn Holland, Evelyn Holland, Rebekah Holstein, Bill Isaacs, Dwight McMurrin, Marian Minor, Jane Myers, Glenna Nance, Jean Nielson, Ruth Peters, Millard Reed, Ronald Smith, Carol Roat, Virginia Schwin, John Sloan III, Burley Smith, Ora Smith, Charles Spence, Rose Mary Stephens, Betty Thill, Marvin Thill, Prentiss Tomlinson, Eulene Vannest, Katherine Yogi, and Myrna York.

The local and district awards from our churches and N.Y.P.S. groups constitute another group of scholarships. Those students benefiting from these are: Gayla Bambauer, Kathryn Beegle, Frank Bowers, Shirley Burris, Gordon Dawes, Jack Hansher, Ruth Headlee, Dwight McMurrin, Louise Munroe, Dorothy Pangborn, Joyce Pangborn, Jacques Romain, Glenn Sparks, Doris Beck, Dorothy Estelle, Howard Lee Taylor, Robert Covert, Sue Bayes, and Marilyn Keeler.

Students having received a first placement in a state music contest are eligible for a music scholarship. This year four students have received scholarships of this type. They are John Deal, Gwen Johnson, Martha Reed, and Faye Seiffert.

Through awards and contributions of individuals and foundations, other students are awarded scholarships. These include: Vincent Adragna, Jack Barnell, Nila Bright, Robert Brown, Marilyn Bryant, Delores Bryan, Adrian Del Camp, Roger Deal, Eleanor Ediger, Margaret Evans, Ralph Fisher, Charles Hasselbring, Dennis Hill, Evangeline Johnson, Paul Komori, Barbara Reed, Marvin Thill, and David Whitteberry.

Ask  
Your  
Pastor

BY REV. L. GUY NEES

**Question:** Is it ever advisable for two people to enter into the marriage relationship when their courtship has been characterized by one person making all the adjustments?

**Answer:** Not unless the one person is making all the adjustments upward. And this adjustment must be complete—to God and to life as a whole. However, in the incidentals no happy marriage can result unless both parties are willing to adjust a little.

**Question:** Is falsehood with the intent to deceive ever justifiable?

**Answer:** I can't think of any situation where this would be justifiable.

**Question:** In the relation of man to God, is the crux of the problem of sin to be found in "Self versus God?"

**Answer:** C. S. Lewis in his book *Christian Behavior* states, "The essential vice, the utmost evil, is Pride. Unchastity, anger, greed, drunkenness, and all that, are mere flea-bites in comparison: it was through Pride that the devil became the devil: Pride leads to every other vice: it is the complete anti-God state of mind."

Over against this is the highest in spiritual attainment in this life which in my opinion is the crucifixion of self as expressed in Gal. 2:20: "I am crucified with Christ, nevertheless I live, yet not I, but Christ liveth in me."

**Question:** Because Eve was given unto Adam in the beginning, does this justify the conception that man holds precedence over the woman in this day and age?

**Answer:** Read Eph. 5:22-33.

**Question:** Is Sunday School as essential as the main Church service?

**Answer:** When Sunday School is conducted in the way that it should be I would answer "yes" to this question. When the Bible is the chief text book and sound Biblical knowledge is imparted, then Sunday School is as important as anything we do. However, keep in mind that our aim in Sunday School and in the Church service differs. We are not trying to do the same thing in each. One is the teaching arm of the church while the other is the worshipping, evangelistic arm. There may be some overlapping of the two but these are the chief emphases that are made. Each is of tremendous importance in its own area and neither can be neglected without loss.

## Olivet Symphony To Hold Banquet

The Olivet Symphony Orchestra, under the directorship of Prof. Harlow Hopkins, will be holding the annual spring banquet on Saturday, April 2, at 6:30 p.m. in the "Le Petit Gourmet" in Chicago.

The banquet, which will be "dress-up," will be attended only by orchestra members and their guests.

Following the dinner, the orchestra will attend the Chicago Theater of the Air (WGN) at 9:00 p.m. WGN has afforded the orchestra 45 tickets for the event.

The menu for the dinner includes the following: Seafood canape, gourmet chicken (a LePetit Gourmet specialty), salad, vegetables, heated rolls and butter, coffee or milk, and deep dish apple pie.

The officers of the orchestra and committee workers for the banquet are: Herb Samra, president; Frank Hallum, vice-president; Patricia Pinner, secretary-treasurer; Janice Powell, librarian; and Wayne Gallup, chaplain.

The recent "O" Club Banquet was the setting for Cupid when the engagements were announced.

Mr. and Mrs. Brady Spence of Hamilton, Ohio, announced the engagement of Sharon to Ken Short, son of Mr. and Mrs. Tom Short, Sr., of Indianapolis. Ken and Sharon are both sophomores. They plan a December wedding.

June Woods, daughter of Rev. and Mrs. Woods of Columbus, Ohio, announced her engagement to John Payton, son of Mr. and Mrs. John Payton, Sr., of Indianapolis. John is a sophomore and June is a freshman. They plan to be married in September.

Betty Nauman's engagement to Charles Stevens was also announced. Betty is the daughter of Mr. and Mrs. Albert Nauman of Chesterville, Ohio, and Charles is the son of Mr. and Mrs. Stevens of Lowell, Michigan. They are both seniors.

## Introducing Prof. Cross

By Herb Samra

Teaching at Olivet for the first year is 28-year-old Henry A. Cross, a member of the staff of the Department of Psychology. A family man, Mr. Cross is now residing at 147½ Cleveland Ave. in Bradley.

Cross is a graduate of Capital Hill High School in Oklahoma City. He carried on and successfully completed his undergraduate work at Bethany Peniel College, receiving the A.B. Degree with a major in psychology in 1949. Proceeding from Bethany, Cross entered the University of Oklahoma in pursuit of his graduate studies. He is the possessor of the M.S. Degree, also in psychology, effective upon graduation in 1951. Cross expressed himself as being highly desirous of commencing in his program toward the Ph. D. Degree, possibly this summer.

HENRY A. CROSS

Like many Americans who have devoted their time and effort to building the security of our country, Mr. Cross served in the Armed Forces in the United States Navy from July, 1945 to August, 1946. During this time he was stationed on active duty in San Diego, California, Great Lakes, Illinois, and Norman, Oklahoma.

Among the many means of relaxation and retreat from the duties of the day for Cross are musical appreciation (he has a selected record collection), collecting books of various descriptions, and sports of all kinds. His favorite sports are softball and tennis.

When asked for his first impression of Olivet, Cross explained his pleasure of the physical plant of Olivet, the alertness of the faculty staff, and the spiritual atmosphere of the campus. From all indications, he seems to be fully enjoying himself as a member of the Olivet family.

Since undertaking his newly appointed position at Olivet, Mr. Cross has made himself well approved by all with whom he has had contact. His seriousness and vitality in teaching have gained him due respect from those undertaking his courses. He is an educator and a friend to those who have had the opportunity to make his acquaintance. Often I have been very much impressed in hearing him in informal discussions whereby he has expressed the importance of education in conditioning the individual to becoming a well-rounded servant of God and the Church.

Cross's most intense interest in his major field is in social psychology. He is interested in research work in personality, surely a worthwhile endeavor.

It might be mentioned that Mr. Cross is the father of a 9-month-old baby girl, Connie Lee. He married his wife, Elizabeth, at College Church of Bethany on January 1, 1948. Mr. and Mrs. Cross graduated from Bethany together in 1949.

If you haven't as yet had the opportunity of making Mr. Cross's acquaintance, drop in on him sometime during office hours and have what I am sure will be a worthwhile chat. His life is a testimony that will be a blessing to you.

## Council Sets Up Semester Budget

The Student Council of Olivet College has set up a budget from the student activities fee of \$6,219.00 for the second semester of this year.

Lyceum programs receive \$345.50; Aurora, \$1,809.80; Glimmerglass, \$462.35; school handling charge, \$621.90; and the contingency fund, \$310.95.

**Class A officers' salaries,** \$437.50; Indian Society, \$115.16; Spartan Society, \$115.17; Trojan Society, \$115.17; Student Prayer Band, \$41.15; Class of '55, \$520.59; Class of '56, \$520.58; Class of '57, \$347.06; Class of '58, \$347.06; High School Seniors, \$20.75; and Bible School Certificate group, \$39.90.

**Editor's Note:** The story appearing in issue No. 9 of the *Glimmerglass* concerning distribution of activity fees was the distribution for the first semester instead of the second.

### END OF DAY

By Dorothy B. Elfstrom

Sometimes I've had the feeling  
As I watched the setting sun,  
That life was swiftly passing by  
And too soon would be done.

As I stood there filled with reverence  
At Nature's wondrous way,  
I asked myself the question,  
"What good have I done today?"

To my less' fortunate neighbor  
Did I lend a helping hand;  
Did I listen to his woes and  
Really try to understand?

Have I reached a rung that's higher  
On the ladder toward my goal;  
Have I taken out a moment for  
Communion with my soul?

Was I honest with my fellow man  
And also with myself;  
Did I admit when I was wrong,  
Putting pride upon the shelf?

Have I been a friend to those I met  
In the things I did and said;  
And when tempted to speak sharply  
Did I count to ten instead?

Did I take time out to laugh—to love—  
To think—to see—to pray?  
These are the thoughts that cross my mind  
As I watch the dying day.

## Reg. NYPS Meeting At ONC April 14-15

The Regional N.Y.P.S. meeting, under the direction of Lauriston J. DuBois and Wilford Vanderpool, will be held at Olivet College on April 14 and 15.

DuBois is the Executive Secretary of the General N.Y.P.S. and Editor of the *Preachers Magazine*. Vanderpool is the Olivet College Zone Council Representative.

Methods of promoting interest in the N.Y.P.S. along with the problems confronting the young people of today will be the items of discussion.

These sessions will be attended by the District Young People's Presidents, the District N.Y.P.S. Council, and the Olivet College Zone District Superintendent.

## Reclassification Plan Is Adopted

Dr. Willis E. Snowbarger, Dean of the college, has announced the adoption of a plan whereby those who have met the catalogue requirements for junior or senior standing at the end of the first semester of each school year can apply for reclassification.

Dr. R. Wayne Gardner, Dr. C. S. McClain, and Dr. Snowbarger will consider each application and reclassify those who can offer valid reasons for having their classification changed.

Any matter of adjusting financial matters, such as apportionment and class fees, due to this change in classification should be worked out between the individuals and the two class presidents.

## Musical Notes From Goodwin

By Darlene Barker

Enthusiasm is mounting for the rapidly approaching 1955 Orpheus Tour. And it's really just around the corner! The date is set for the week after Easter vacation, starting April 15.

The members of the choir have worked hard in preparing for this tour of our educational zone, and we are sure God will bless each of their efforts.

The tour schedule is as follows:

April 15—Muskegon, Michigan.  
April 16—Open.  
April 17—Midland, Michigan (a.m.)  
April 17—Flint, Michigan (p.m.)  
April 18—Fayette, Ohio.  
April 19—Mansfield, Ohio.  
April 20—Marion, Ohio.  
April 21—Xenia, Ohio.  
April 22—Portsmouth, Ohio.  
April 23—Open.  
April 24—Troy, Ohio (a.m.)  
April 24—Indianapolis, Indiana (p.m.)  
April 25—Muncie, Indiana.

### New Robes Purchased

Not only the band will be receiving new uniforms this year, but also Orpheus Choir members will be purchasing new robes. The style of the robes will differ from that of the present. They will be purple, and worn with reversible gold and silver stoles. The silver, which will be worn next year, will indicate their 25th year of service.

### Faculty Judges

Dr. and Mrs. Larsen recently served as judges for the district high school music contest. Serving as junior high school judges were Mrs. Larsen, Professors Carol Bane, Carl Bangs, Harlow Hopkins, and Daniel Liddell.

Prof. Vail announces that he is very well pleased with this year's swimming meets. Topflight individual performances and outstanding team competition have featured this tank season.

As this paper goes to press it looks very good for the surprising Spartans. Dave Brown and Lauren Larsen have been outstanding for the Greens.

Several new marks will go into Olivet's record books with the closing of this fine sport.

Larsen lowered the 200 yard free style mark to 3:04.8. The previous record was set by Paul Erickson (3:11.8) in 1949.

Wendell Kizzee lowered his own 100 yard free style record from 1:12.4 in 1954 to 1:11 on March 23.

Outstanding tankman for the Indians has been Vern (Burpo) Keech. Vern erased his own 50 yard backstroke mark from the books with a 37:8 performance this year.

The Greenwave 150 yard medley relay team composed of Benny Shaw, Brown and Larsen, set a mark of 1:53.4 for future tankers to shoot at. The Trojans of '53 held the previous low of 1:53.6.

\*\*\*

The boys ping-pong tournament is now in full swing. From here it looks like anyone's tourney. Those seeded by the athletic department are: Paul Stinnette, Jim Mitchell, Don Watson, Lauren Larsen, Prentiss Tomlinson, Dave Priest, and Jim Knox. Don't be surprised though if some freshman walks away with the championship!

## Club News

By Becky Holstein

A new, excitingly different club now is available to you on our campus. Its main objective is to stimulate the mind while relaxing the body. At least once a month (or more), after prayer meeting on Wednesday night, in the Student Lounge, the Chess Club holds session. As of now the only presiding officer is "acting president," Ted Rypczynski; however, regular officers are to be elected in a future meeting.

At the first meeting three of the "fair" sex, "anonymous" members, were taught(?) to play chess—they never returned! What's the matter with the technique fellas?

## Indians And Trojans Battle For Supremacy In First Game

men including: ace moundman Dave Brown, infielders Merlin Demaray and Ron McQueen, and outfielder Frank Hallum. These will be supplemented with a lot of freshman talent.

Reglin's Indians have only two letter winners returning: catcher Bob

## Public Opinion Poll Taken

Since the SPCA, Society for the Prevention of Cruelty to Animals, decreed that Ron (Valiant; formerly Putrid) Smith must get his hair cut, it was decided that in all fairness a public opinion poll should be taken of the Student Body to decide the procedure.

Following are the results of the poll:

- 50% of those interviewed advised letting the hair grow out.
- 20.27% were in favor of having it cut the same way.
- 2.70% favored the same, only shorter.
- 27.03% gave alternate procedures, such as: flat top, burr crew cut, and mohawk. Also in this group were those favoring letting the hair grow especially long, covering the face. Some said anything would be an improvement, and some favored shaving the head completely. One advised a long top with short sides, combed straight back and tied in a bun. Several favored cutting it very short, about at the base of the neck.

It was finally decided that the hair would be allowed to grow out to its full, luxurious, vibrance.

COACH REGLIN

Crabtree, and infielder Darwin Warner. However, the Reds sport a host of incoming rookies that make their chances to look pretty fair to at least climb out of the league cellar. Also they will have added pitching strength with Cup Richards, Indian knuckleballer of a few years back, returned from the armed service.

COACH FISCHER

The Trojans, last year's runner-up for the title, boast a hard-hitting team paced by Harold Rose ('54 season champ with .500 avg.) and Jim Mitchell. If the Blues can come up with some topflight pitching to go along with their slugging they should be very hard to beat.

### Tact

The shoe dealer was hiring a clerk. "Suppose," he said, "a lady customer were to remark while you were trying to fit her, 'Don't you think one of my feet is bigger than the other?' What would you say?"

"I should say, 'On the contrary, madam, one is smaller than the other'."

"The job is yours."

## Through the Keyhole

By Maxine Dawson

Evidences of spring are at last in the air around ONC and already the last big events of the year are under way. They say in spring a young man's fancy turns ..... and our fair campus is no exception. Just take a look around.

Even the campus itself is taking on the new look with the start of the new church and library. I understand Miss Gilley has a calendar marking off the days until she can move in, bag and baggage. The big question is, "Who will have the honor of being the first to get kicked out?"

If anyone needs a flat tire changed see Gene Braun or Ronnie Hartkopf. They're very good at this, especially if it happens in downtown Kankakee.....Speaking of flat tires, Bill Carpenter also has a knack for them. Only instead of helping to change them he waves as he goes by, leaving it up to three girls to change one. Thanks a lot Bill!

We wonder, Norma Morse, is it forgetfulness, or something else? One afternoon Norma walked to the Ad Building to go to work. She got in the office, started to take her coat off and to her dismay found she had forgotten to put her skirt on. Of course she hurriedly left before anyone else made the discovery. As I said, "where was your mind, Norma?"

I leave you with this definition: A traffic light is a trick to get pedestrians halfway across the street safely.

Out of the columns of the Wright College News comes this stupendous adjective: "sucosendous." In a footnote the editor explains the word as being two degrees above tremendous. (SUPERior, COLossal, SENSational, DEvasting, and OUS).
